"T

*he man who does not read good books is no better than the man who can't." — Mark Twain*

# Media Center Redesign Continues!

## A Work In Progress!

**S**tools have been added around the columns where the laptop computers are located. Students are excited to use this new area and more “new” is coming soon! Student and faculty reaction has been very positive . . . we look forward to their reactions with the addition of more “student friendly” materials in December and January.
